

NEONICA GROWY LED-254-200 W

PARAMETERS:

Voltage	AC 90-264V/50-60Hz
Power	200W
Beam angle	80°
Warranty	36 months

BENEFITS:

- Greatly accelerates plant growth through carefully selected wave length
- Reduces time of plant vegetation
- No UV radiation
- 80% energy savings
- Virtually no heat emission, allows the lamp to be placed very close to the plant

FEATURES:

- Special selected high-quality LEDs from OSRAM
- Robust housing made of anodized aluminum provides excellent heat dissipation through gravity exchange (passive cooling)
- Modern design with handles for easy installation in line or stand alone
- Designed and manufactured in Poland
- Application: agriculture, greenhouses, gardens
